

Echoes of History Show

Classic cars & Lorries entry form

10th and 11th Aug 2024.

Please Note: If you are intending to exhibit a military vehicle, you will need to complete the military vehicle form to enter it, rather than this form.

Vehicles that are pre-1980's are entitled to free entry, whereas post 1980 will incur a donation of £10 per classic car or vehicle to exhibit for the entire weekend (in other words, £10 will cover the entrance fees for both Saturday and Sunday). We have limited space and we wish to keep a mix of vehicles, so we may limit the numbers of certain models and close entry once the allocated space is filled.

The event team's decision is final as to whether a vehicle can exhibit or not, please ensure you have confirmation of your entry before arriving at the site as we retain the right to refuse entry. We cannot accept entrants on the day.

Echoes of History is held at the Whitehouse Farm, The Living Memorial, Rettendon, Essex, CM3 8DL.
on the 10th & 11th of August 2024 (NB This is **NOT** an address for correspondence)

This event is run by the **Essex Historic Military Vehicle Association** (registered charity :1155705) and is our main fundraising event. Please take a moment to read our show rules in order that you have a safe, fun and enjoyable show:

Summary of show rules.

General Behavior.

We want to run an enjoyable and safe show. Your co-operation is vital to the success of this. We ask that you always behave in a polite and reasonable manner. Please remember, **our staff are volunteers and abusive or threatening behavior will not be tolerated** - we have a zero-tolerance policy in place for this as a charity. Our security will remove people from the site if this rule is broken or the police will be called. We allow consumption of alcoholic drinks on site, but please keep this to a level of moderation.

Event Safety

Please always follow any and all instructions given by any official or marshal at any event.

Please ensure that your vehicle is kept in a legal, safe and roadworthy condition and you have the appropriate license and/or training to operate it. Any tracked vehicle should only be moved during an event with suitable marshals, and within the agreed tracked vehicle operating areas. Drivers should have insurance suitable for the vehicle being operated, including any public liability insurance. If you wish to have passengers ride in your vehicle, you are responsible for ensuring your vehicle is adequately adapted for doing so, and in cases where this activity may involve re-enactments or re-enactors, suitable insurance covering this will need to be obtained and agreed in advance with the show team. Persons entering them, shall only be permitted with the organizer's permission and after completion of a risk assessment as part of a re-enactment.

Our marshals will keep vehicle movements to a minimum, this is for safety reasons and to protect the site from damage due to excessive movements. You may be asked to park up outside the main site area in a holding area, during times outside of normal operating hours, which are after 21:00 and before 07:00. This rule applies to all vehicles either displaying, stalls or services.

Charity collections

Only charity stalls may sell charity merchandise or have charity buckets. This is to comply with local authority rules and those of the Charity Commission.

Noise and Nuisance

When at a show, please remember there may be other people camping nearby. Please show respect for them by keeping any behaviour within acceptable bounds. At night, please switch off any generators after 22:30 and keep the noise to a minimum. – there is to be no movement around the site outside of normal opening hours by any form of motorized / powered transport (for example, Quadbikes, Golf Carts, Motorbikes, Scooters, etc.) – vehicles may, or course leave and return to the site using the public highway, but we would ask you to be respectful of others who may be camping with families and young children. Night security will be patrolling to ensure rules are complied with.

Wristbands

All exhibitors are required to have wristbands - these will be issued to you on your arrival day and must always be worn. Non-wristband holders will **not** be served at the bar in the evening and will be asked to leave the event during the times that the site is not open to the public.

Weapons, pyrotechnics and uniforms

There must be absolutely no discharge of any firearm, barreled weapon, pyrotechnics, thunder flash, firework or other explosive device at any event without prior permission of the organizers or trustees or safety officer. Selling of any pyrotechnic before or during the show is not permitted. Replica and/or deactivated guns may be carried during an event or show but must not be handled by members of the public unsupervised unless they are deemed competent to do so or during a purchasing transaction and should not be pointed at someone in a threatening manner. Knives or bayonets must not be unsheathed or fitted to a weapon other than as part of a static display of weapons and equipment and must never be left unattended or used in a threatening manner. Uniforms may be worn when appropriate but should be worn correctly and in context. Medal ribbons to which the wearer is not entitled should not be worn. No uniforms of a political nature will be permitted at our events unless pre-agreed in advance with organizers in special circumstances. If in doubt, please contact a member of the show team in advance of your attendance. The lighting and launching of Chinese lantern type devices are strictly prohibited on site for safety reasons.
